

Herman-Norcross School Patio Project

“Our Facilities should reflect the values and philosophies of the Herman-Norcross Community and inspire the wonders happening inside of them”

We are working to build a patio in the front of our building,. This patio can be used by our students during lunch break to get some fresh air, and also by both students and parents/ grandparents while waiting. The playground is a popular area during the summer months and this would be a great place to sit and relax. A grandparent of one of our students has graciously offered to donate benches for the project. Currently we are looking for donations to go towards the purchase of the stone pavers to be put down for the patio. Each patio stone can be engraved with the donors name or in memory of someone.

If you are interested in helping us show our school pride by making the outside look warm and welcoming for all , please fill out the form on the bottom. We are hoping to have 25-50 donors by August 1st with a project completion date of our Fall Open House on August 28th.

If you have any questions please contact Rick Bleichner or Bonnie Schmidt at 320-677-2291.

\$100.00
Per Stone
