

Dear Parents/Guardians:

Student safety is a number one priority in our district. In order to keep our students accounted for, it is very important that you notify us of any transportation changes related to your child.

At the beginning of the school year it would be appreciated if you, as a parent, would send a note as to what your child's "normal" after school routine will be. *Ex. My child is to walk home each day after school unless otherwise notified.*

If your child **will not** be going to his/her "normal" place after school please **send written notification** on that particular day, or call the office with changes. Students will be expected to follow their "normal" routine unless we are notified otherwise.

Thank you for your help in keeping our students safe. If you have questions or concerns, please call me at 320-677-2291.

Sincerely,

Rick Bleichner  
Superintendent/Principal
